

# MAKE YOUR LOVE LIFE THE FULFILLING EXPERIENCE IT WAS MEANT TO BE!

*When Two Become One* blends the physical, emotional, and spiritual aspects of marriage with the sexual. This detailed and practical resource presents a compelling vision of God's intentions for lovemaking that will foster a deeper experience of intimacy at every level in your marriage.

The book's most unique feature is *The Lovemaking Cycle*—an innovative model that captures the heart of truly making love, as contrasted with simply having sex. The model conveys a picture of God's plan for sexual union and provides a means of identifying problems that can threaten the beauty of that plan.

*When Two Become One* is a popular resource in premarital and marriage counseling programs throughout the world. Join thousands of other couples who have ignited the intimate, passionate love God created us to enjoy!

“One of the healthiest, most biblically consistent, and God-honoring presentations of sexuality I have ever read.”

**—DR. GARY OLIVER**  
executive director, the Center for Marriage & Family Studies at John Brown University

“This book is a must-read for couples wishing to enhance their love life.”

—DR. DOUGLAS ROSENAU
